BC has been performing Buffett's music for almost as long as Buffett himself. He has also traveled many of the same roads and even played some of the same places Jimmy played on his road to fortune and fame. He takes the show goer on a musical tour. It's like an 'ALL YOU CAN EAT BUFFETT'. BC sings all the "songs you know by heart" like Come Monday, Cheeseburger in Paradise, Changes in Latitudes, Changes in Attitudes, and the national anthem of all Parrotheads, Margaritaville. He also performs songs Jimmy recorded like Van Morrison's Brown Eyed Girl, and the C,S,N&Y's nautical hit Southern Cross as well as recent hit recordings like his duet with Alan Jackson, It's 5 O'clock Somewhere. Jimmy Buffett Coral Reefer Band members and alumni like MIKE UTLEY, ROBERT GREENIDGE, DOYLE GRISHAM, AMY LEE, FINGERS TAYLOR, TC MITCHELL, ROGER BARTLETT and others can be featured in the show, their schedule with Jimmy permitting, to make this the most credible and authentic Buffett tribute show anywhere. According to the Coral Reefers, "ADVENTURES IN PARROTDISE is the next best thing to being at one of Jimmy Buffett's concerts."

This is the only Jimmy Buffett tribute show to play an indefinite engagement in a main showroom at a major Las Vegas Hotel/Casino. It is also the first choice for major corporate events at Jimmy Buffett's Margaritaville-Las Vegas. Barrie is the only Buffett tribute artist performing with Legends in Concert-Las Vegas.

NOT A PARROTHEAD? YOU WILL BE WHEN THIS CRUISE IS OVER. FINS UP!
